MURPHY POST 2180

NECEDAH/TOMAH

AMVETS, known as American Veterans, was founded in 1944 and exists to enhance the quality of life for all veterans, their families, and survivors. They provide assistance, jobs, and services to military veterans and their communities. AMVETS Murphy Post 2180 serves the Tomah and Necedah areas. The Tomah branch opened in June of 2019. Post 2180 is a member of AMVETS Hospital Service Foundation with representatives from the Tomah VA. Membership in AMVETS is open to anyone who honorably served, or currently serving, in the U.S. Armed Forces, including the National Guard and Reserves.

May Events

News Around Town

Positive news to share

There are plenty of challenges we face together in Tomah as we deal with the COVID-19 pandemic. But in the midst of the crisis, there are countless folks and organizations who are doing their best every day to make our lives better. The worst of times sometimes brings out our best.

Barb from the [Quilted Rooster](#) in Tomah became the Coordinator for Zone 8 of Wisconsin Face Mask Warriors - this is a National Group working to keep our friends, neighbors and anyone who calls upon them for Masks. She has spent countless hours organizing the sewists, drivers, drop-off sites, materials and supplies. For more information: bit.ly/FB-WI-Facemask-Warriors

Holthaus Insurance & Financial Services, Inc. - State Farm

Again, **Jeff Holthaus, State Farm Agent**, teamed up with Keith and Paula Laugen. Together they started a Community Challenge to help support local Restaurants and Bars. To date they have raised almost \$7000!

Staff from **Ocean Spray Cranberries Inc., Tomah** wanted to help support and show appreciation to local hospital employees during the COVID-19 pandemic. They donated 40 cases of juice to **Tomah Health**.

Graceland Fruit Wisconsin Inc., of Warrens donated three boxes of disposable lab coats to **Tomah Health** to assist with supply need during the COVID-19 pandemic.

Meal Programs

Various organizations have been busy making their programs possible by getting creative and coming up with solutions to ensure those in need are still getting meals:

- **Mobile Tomah Community Table** is teaming up with local restaurants, churches, and other community organizations to come together to help provide drive-thru meals located at **Gloria Dei Church's** parking lot. April 6 **Jimmy Johns**, served by **First Congregational**. April 13 **Kentucky Fried Chicken**, served by **Peace Lutheran**, financial support by **Premier Insurance Solutions**. April 20 **Culver's** served by **First United Methodist Church**. Gallons of milk donated by **Clover's & Cranberries 4-H Club**. April 27 **Arby's**, served by **St. Mary's Episcopal & Peace Lutheran Church**.
- **Neighbor for Neighbor Food Pantry** is providing assistance during regular food distribution times. Anyone who is "feeling the pinch" during these challenging times is welcome to visit the pantry once a calendar month; food will be provided in carts in the parking lot.

Meca Sportswear, located in Tomah, Wisconsin, has switched production from high school letter jackets to PPE including masks and gowns. They have entered in to contracts with **Tomah Health, Tomah VA Medical Center, Tomah Ambulance Service** as well as several different agencies across the country. Follow this link for pictures and video: [Click HERE](#)

Queen of the Apostles Church donated a large quantity of sanitary wipes & cleaning supplies to the **Tomah Ambulance Service**.

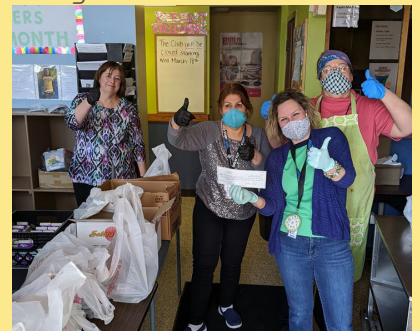

Tomah Nursing and Rehabilitation Center received over 300 masks from Linda Marten. Linda made the masks with family & friends.

Bank First recently purchased \$100,000 in gift cards from over 140 restaurants and will be donating the gift cards back to local families, non-profit organizations, and businesses through various programs once the "Safer at Home" restrictions are lifted. At least 10% of the total gift card purchases will impact the community of Tomah. To learn more about the other initiatives Bank First has taken in recent weeks to provide aid and support to local families and businesses during these challenging and unprecedented times, access the Press [Click HERE](#)

Patty Ambort, owner of Comprehensive Nursing Services donated 1500 exam gloves to **Tomah Health**.

Tomah Rotary dropped off a \$500 donation for the **Boy's and Girl's Club** and **Great Rivers United Way** donated over \$10,000 to help support their ongoing programs to stay in touch with the youth in the area. The staff have been busy preparing and distributing evening meals. These free meals are available Monday-Friday from 4:00-4:30 to anyone under 18.

Taphouse Twenty is partnering with local folks that want to support front line heros, they are matching anyones donation and turning it into **Taphouse Twenty** gift certificates. Bear and Jackie Kuehl donated \$50 = \$100 to the **Tomah Fire Department**. Dan and Emily Wall Family donated \$100 = \$200 to the **Tomah Postal Employees**. The Gregar Family donated \$50 = \$100 for the **Tomah Police Department**. Jenny Kilpatrick/Premier Insurance donated \$60 = \$120 to **Tomah Ambulance/EMT** and **Tomah Health**.

Jeremy Haldeman - American Family Insurance Agent purchased several gift cards from local businesses to help support them. He then randomly drew names from individuals that "liked" his post on Facebook and mailed them a gift card.

Please send us your positive stories so we can share in our next newsletter. Tomah is in it Together!

All of us at Molter's would like thank you for your patience and understanding during this time, and especially for the kindness you have shown our associates.

Message from Tina

Greetings from my basement!

For years, the Chamber has been good at meetings, events and handshakes. Only three short months ago, I would have told you that we were ready to have a stellar year with our programming and events, but that now seems like a lifetime ago. The Chamber as you knew it, just like your business, will never be the same again. We might end up stronger after all of this is said and done, but neither us nor you will never forget this time, nor will we be the same on the other side. We have been forced out of our comfort zone and thrown into a world we didn't see coming. Meetings, events and handshakes don't cut it anymore, for us or for you. (Heck, I'm not even sure if handshakes are legal any more)! We have been looking at the ways we can use this to innovate and grow so that we can come out of this on the other side. You need to do the same if you haven't already.

As we enter into week #whoknowswhatweekitisanymore of the Safer at Home orders, I encourage you to visualize what life will look like on the other side. I see a community that is stronger, more united and dedicated to the success of our neighbors. I see a community that has fought through challenges and comes out on the other side with innovative ideas and progressive business plans. I see a community that will thrive again one day. I encourage you to visualize your successes, visualize what doing business looks like on the other side and visualize your doors opening up and greeting customers again.

For us, our office has been keeping in contact with the public through various means including phone calls, emails, facebook messages, and livestreams. We are wanting to hear from you. We want to know how you're holding up. We want you to know we're here for you. In the past, we've been good about sending out emails and keeping you updated, but in times like these, nothing beats a good old fashioned phone call from a friend. I would encourage you to pick up the phone and call a counter-part or two and see how they are doing. Support your fellow businesses, non-profits and organizational leaders.

On July 4th of 2019, Jeremy Haldeman and I put a bet on the table that we would consider DTN a success if we had 400 people attend. We had 1100 people or more attend that night. As I sit here, thinking of different times and better days, I am extending that little bit of faith and hope to you. Tomah will pull through this, partly because of the tenacity of our community and partly because we have faith and hope. Have the faith with me that we will get through this stronger and together. It is the only option and it is our laser focused vision.

To my Chamber family, I wish you the best through this. Be here for one another, as business leaders and friends.

Best,

Tina Thompson

Business Spotlight

Kwik Trip INC.

Since 1985 Kwik Trip has been a proud member of the Tomah community. Kwik Trip is a family-owned company that serves customers with more than 700 convenient, clean retail locations. The stores are stocked through daily deliveries from the chain's home base in La Crosse, Wisconsin. More than 80% of the products featured in the stores are supplied through its own commissary, bakery, dairy and distribution center. Today the company has grown to over 27,000 co-workers and is consistently ranked as a Top Workplace in Wisconsin, Minnesota and Iowa.

Business Spotlights

ACTIVE HEALTH
CHIROPRACTIC CENTER

Dr. Bridget Owens is the owner and chiropractor at Active Health Chiropractic Center. She has been in business since February of 1993 - that's 27 years!

"There is no better feeling than when a patient comes back to my office and tells me how much better they sleep, feel, and enjoy going for walks now because of their care with me....THAT is what gets me up in the morning!! I LOVE helping people find the best expression of themselves through the power of the chiropractic adjustment!!

One of the first things I did when I moved to Tomah, was join the Tomah Chamber as an individual. Once I got my business started, joining the Chamber was a no-brainer!! I have ALWAYS appreciated how the Chamber supports and refers to their members. I have enjoyed so many of the Chamber events and functions! Living in a smaller community always makes these events so much more fun. I always advise new business owners to join the Chamber right away! It's a great networking tool and a good way to get known among the other businesses in town."

When I am not at work I can be found at the Area Community Theatre or the Boys and Girls Club! Both of these organizations rely on the Tomah community to keep their doors open and I try to help in making sure everyone is aware.

Since 2012, Write Like That Inc has helped businesses with their business writing needs. Functioning primarily as a government solicitation proposal managing and writing firm, we have helped our clients win more than \$10B in contract value, assisted local nonprofits in securing more than \$100k in grant funding, and written numerous articles, blogs, and other marketing materials for clients all over the United States. From resumes to policies and procedures, quality control manuals to email campaigns, Write Like That can say what you want to say, when you don't know how to say it.

TUESDAY TRIVIA ANSWERS

1.) The current location of the Tomah Chamber & Visitors Center was formerly the original site of the Tomah (DNR) Ranger Station. What year was the Tomah Ranger Station built?

Answer: 1938 (according to this: <https://www.wisconsinhistory.org/Records/Property/HI74677>)

2.) Whom was the town and village of Tomah named in honor of?

Answer: Chief Thomas Carron, or “Tomah” as the French pronounced his name.

3.) How many Tomah buildings are listed in The National Register of Historic Places, and what are they?

Answer: Three - Tomah Boy Scout Cabin built in 1934.

The first dedicated Post Office bldg in Tomah built 1927-1928.

Tomah Public Library built in 1916.

4.) Active Health Chiropractic Center is located in the old American Legion bldg which WAS the American Lutheran Church before that! What year was the American Lutheran Church built?

Answer: 1948

5.) Who was the City of Tomah’s first mayor?

Answer: Thomas McCaul in 1883

6.) What year did “West Wisconsin Railroad Company” first lay rails in Tomah?

Answer: 1866 - Tomah was the starting point and it ran north to St. Paul and Lake Superior.

Calling all Chamber Members!

Share Your Business Amended Hours & Services

Have your business hours or service/product offerings changed during this time, due to the COVID-19 pandemic? Or do you have a special to advertise? We have added a new “Business Amended Hours and Services” feature to our website (<https://www.tomahwisconsin.com/business-amended-hours-services-in->) that will provide you the opportunity to share with the community your altered services and/or product offerings during the Coronavirus pandemic.

We encourage you to **post your amended hours and/or services now** in the Member Information Center (MIC) by logging in at <http://tomahchamber.chambermaster.com/login>. Access the **Tomah Area Business Amended Hours & Services** "button" located on the left-hand side of the web page to “Add” or “Manage” (edit) an existing post.

Also, use this as an opportunity to post any deals you may be offering at this time, such as coupons or special deals.

Don't know your login? Enter your email address to be sent a reminder at <http://tomahchamber.chambermaster.com/login/forgotpwd>.

Upon accessing the **Tomah Area Business Amended Hours & Services** “button,” complete the fields requested, *such as* the following:

Title: Clarify if you are open or temporarily closed; intended to get the consumer’s attention on the public website.
(e.g., OPEN FOR TAKE-OUT AND DELIVERY)

Tagline: A quick phrase to gain attention to your business (e.g., Best BBQ in Town!)

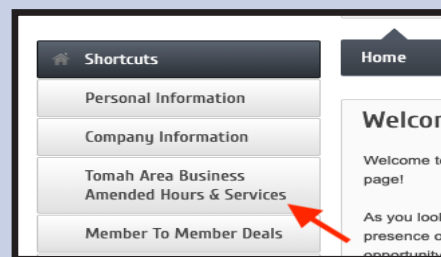

Category: Select a pre-defined Category that best describes your business offerings

Description: Provide details on your updated business hours, services available, deals, etc. (e.g. maybe your business is now offering to deliver foods/goods, in addition to curbside pick-up)

Active Dates: These dates determine how long your post will display on the public website. Dates may be modified later.

Upon entering your information, you have the option to “Save as Draft” (to edit later) or “Submit for Approval,” which will be sent off to the Chamber to review and approve your post. Upon approval, your post will be available to review in the MIC and to the public on our Chamber website.

Please contact Megan at mdivyak@tomahwisconsin.com with questions or for more information. We would be glad to help post your listing!

News From FORT McCOY

By Theresa Fitzgerald

Fort McCoy remains open, but experiencing numerous impacts to service due COVID-19 precautions. Please call ahead or check www.facebook.com/FtMcCoy for a list of changes to services before visiting. Thank you for your patience and understanding.

2020 Fort McCoy Armed Forces Day Open House canceled

Fort McCoy has canceled the 2020 Armed Forces Day Open House due to ongoing safety precautions for the COVID-19 pandemic.

“It was not an easy decision to make, as this event is the one time of the year the public is encouraged to visit us learn about our past and present-day mission,” said Public Affairs Specialist Theresa Fitzgerald with the Fort McCoy Public Affairs Office, one of the organizers for the event.

“However, we decided that for the safety of both our employees and guests, it would be best to cancel this year’s event,” Fitzgerald said.

We look forward to planning next year’s Open House and hope everyone will come support us in 2021.”

The Armed Forces Day Open House is held annually on Armed Forces Day, the third Saturday in May.

It showcases the History Center, five World War II-era buildings, the Equipment Park, and Veterans Memorial Plaza.

Activities typically include guided installation bus tours, informational displays about military and veteran organizations, a sandbag-filling station, personalized ID tags, camouflage face painting, military equipment displays, and more.

Fort McCoy has hosted the annual Armed Forces Day Open House for many years, and the event has been canceled only a handful of times in recent memory – once because of severe weather and twice because of changing mission requirements.

The 2021 open house will be May 15.

THANK YOU FOR YOUR SUPPORT
