MUSIC ON MILWAUKEE

"Tomah Needs Something Like This"...that's what we've been hearing for the last few years: Tomah needs a concert. Tomah needs a festival. Well, after a lot of planning and work, we put one on! Last month, we hosted our first "Music on Milwaukee" where we literally closed off the street and brought in the bands. Greg Hall and the Wrecking Ball opened up the afternoon, followed by Duncan Peterson and we ended the night with the Tim Sigler band. The musical lineup was fantastic and a lot of fun and dancing was had by those in attendance. Keep an eye out for more events that we will be putting on in the future! Thanks to all those who attended and sponsored our first Music on Milwaukee!

EXTRA TOTES

EMERGENCY RELIEF ALERT

The Toro Challenge

Leadership from the Toro Company in Tomah met with the Tomah Chamber and Visitors Center on Thursday, August 30th to discuss the devastating flood damage in our neighboring communities.

The Toro Company is issuing a plea and challenge to businesses in the area to help provide relief to the flooding victims in neighboring communities. Beginning Monday, September 10th, the Toro Company will have at their premise an empty semi trailer. They are urging businesses to help fill the trailer with much needed supplies of water, non-perishable food, bleach and cleaning supplies and pet food. All containers must be new and not opened.

Toro's Director of Operations, Chris Hacker, stated "this isn't just our employees in Monroe County who are deeply affected, we also have employees in Vernon and Juneau Counties that need our help." Hacker is urging the businesses in Tomah and surrounding areas to pool their resources and help to get supplies to the areas where they are so desperately needed.

Tomah Chamber and Visitors Center President/CEO, Tina Thompson, added that "Tomah is the big city compared to the surrounding villages and communities that surround us. Tomah employs their residents and has more resources than some of these rural communities. I know that the businesses here can step up and do great things when there is a need. We've all seen the devastation, and now is that time."

Tomah Mayor, Mike Murray, also added that "people in the area want to help, but don't know how...this is how."

Relief items can be taken to Toro at 200 Sime Avenue beginning on September 10th through the 14th from 6:00 AM until 3:30 PM. The goal is to fill the semi trailer. The Tomah Chamber and Visitors Center will be working with the Salvation Army, Red Cross and other involved relief aid organizations to communicate the needs as well as the distribution of donated items.

Companies and individuals wanting to make monetary donations can do so at any Tomah F & M Bank location.

SPOTLIGHTS

Maximize Your Membership

BY SIRANDA SWIERGOSZ

As summer comes to a close, we are wrapping up our member "Pop-In" visits. The Tomah Chamber has been on a mission to "Pop-In" at all of our members and say, "Thank You for your membership!" On these visits we have been taking photos and then posting these photos to our Facebook page with some information about each member. We have also been providing members with a small token of our gratitude. (Popcorn for our Pop-In visits!) This has been a huge undertaking and we couldn't have done it without the help of our Ambassadors! If you seem them around, please give them a big thank you. It has been a blast to learn more about all the cool things our membership is doing and share that on our social media channels. If by chance we missed you we are very sorry, please let us know so we can make it right.

Since we loved learning, and sharing, about how great our members are, this fall we will be rolling out a new feature of chamber membership, called "Big Deal Business." This is an opportunity for Tomah Chamber members to recognize other Tomah Chamber member businesses. This could be for exemplary customer service, dedication to the community, involvement with the Chamber, or anything else that makes that business great! There will be a traveling award and social media recognition for all Big Deal Business recipients. Award recipients will get to pay-it forward and chose the next Big Deal Business award recipient; but we need your help with this first award to get the ball rolling. Please submit a nomination for the Tomah Chamber's first Big Deal Business here: http://bit.ly/BigDealTC We can't wait to see who's a Big Deal!

FROM THE CEO

Welcome Back to School

I'm typing this after just coming home from our first ever Back To School BBQ. What an amazing evening of celebrating education in our community! We planned to feed about 300 people; however, after 16 minutes in to the event, we were making an emergency trip to Festival to feed another 150! Whew! Special thanks are sent out to Oakley Moser, Sindia Jacobs and the LINK Crew for slaving over a hot grill and serving brats and hot dogs to the masses! F & M Bank provided backpacks and a huge gift basket to numerous youngsters and Timberwood Bank provided five $200 prizes to teachers who were nominated for their work in the classrooms. RIA Federal Credit Union also sponsored and helped with registration. Sparta/Tomah Broadcasting also played music, gave out CDs and provided the use of their sound system.

All in all, the evening was simply amazing celebration of our educators, new and returning. We can say with near certainty that we will be putting this event on again in the years ahead of us.

We are so grateful to our sponsors who make events like this possible, but we are especially thankful to all of the educators in our school district that are so inspirational to the youth of Tomah!

Sheriff's Forum

Last month, the Tomah Chamber and Visitors Center, along with the Sparta Area Chamber, Sparta/Tomah Broadcasting, Magnum.Media, Monroe County Herald, Tomah Journal and Greg Hagen Sports Network joined together to put on the Monroe County Sheriff's Forum before the primary election. All five candidates were present and had the opportunity to answer questions both predetermined by the sponsors and from the audience. Greg Hagen taped the event, which can be found on our YouTube page. We will again be coordinating with the same sponsors to put on a similar event before the general election to give voters the opportunity to hear from the remaining two candidates. Moving on to the general election are Wes Revels (R) and Jeff Schwanz (D). Please look for more information to come!

Au Revoir

Or "until we meet again"...Dear Amanda, oh how missed you will be at the Tomah Chamber and Visitors Center. Thank you for your 3 1/2 years of working with us, helping us grow, and making us look like a bright shiny new penny...but most of all, thank you for your spirit and the joy you brought to our membership. We wish you the absolute best of luck on the bright future ahead of you!

AROUND TOWN

Tomah Memorial Hospital

Becker's Hospital Review, an industry leading print publication, has named Tomah Memorial Hospital one of 66 critical access hospitals to know in the country. It is the third consecutive year that TMH has been recognized by the health care print publication. Last year, Tomah Memorial was on the 'top 62 critical access hospitals to know' list by Becker's.

"It's always humbling when some outside organization recognizes you or your organization for the accomplishments that you have achieved," said TMH CEO Phil Stuart. "To be listed as one of the top 66 critical access hospitals in the United States to be recognized is a great honor."

Timberwood Bank

Timberwood Bank employee Linda Erbs' beautiful fall photo of a maple tree in her yard was selected for the collage page in the 2019 Scenes of Wisconsin Calendar. Linda is quite the photographer and we are thrilled that her photo was chosen! The calendar is compilation of photos collected by the Wisconsin Bankers Association and distributed by community banks, including Timberwood. Congratulations, Linda!
